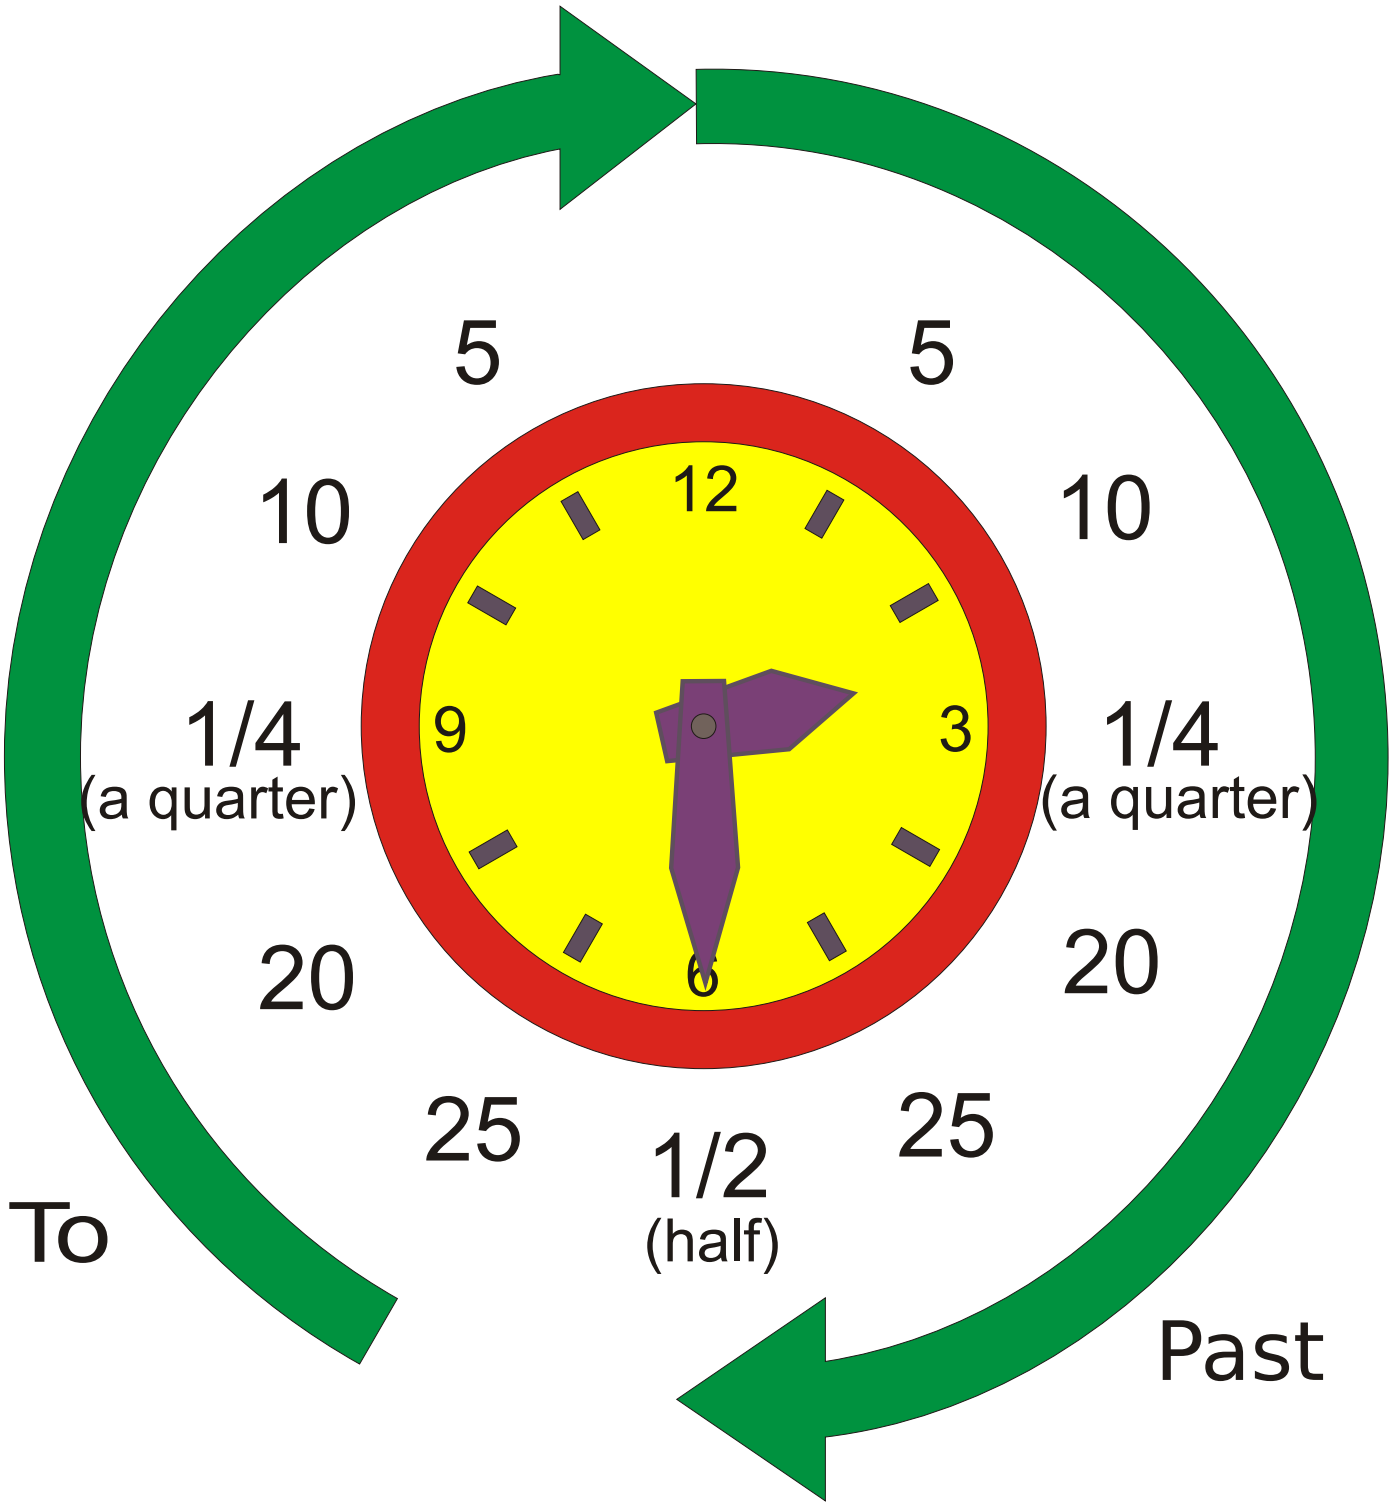
Time



What time is it?
It is twelve o'clock.
It is a quarter past two.
I'm coming at five to nine.
I have an appointment at half past six.
At twenty past six, we will be ready.

The film starts at a quarter to nine.
John's school ends at half past three.
At twenty to four John will be home.
Here the shops open at nine o'clock.
The shops close at seven.
